## BLACK AND GREEN THEME:

If possible decorate cars and cycles with black and green balloons, posters, placards etc. AND again if possible wear black and green.  
Posters, leaflets, balloons are available at the start.

**SAFETY:** Cars drive slowly and normally, give each other space and be aware of cyclists as part of the tour. Cyclists stay behind cavalcade cars at all times and give yourself time and space to stop. Cycle sensibly, slowly and give others due care. Cyclists should stay together as a group. All should respond to STWC stewards' decisions.
