

WANDSWORTH STOP THE WAR

PEACE VIGIL

NAMING OF THE DEAD

‘DON’T ATTACK IRAN’

‘TROOPS HOME FROM IRAQ’

We will gather to remember the thousands upon thousands of dead and injured men women and children, both civilian and military, as a direct result of the foreign policy decisions of the US and UK to go to war against Afghanistan and Iraq. Names of the dead will be read out throughout the vigil. Organisation Banners and placards are welcome. We will be leafleting to publicise the National Demonstration on the 18th March, assemble Parliament Square 12noon. Link arms against a terrible, bloody illegal war.

ASSEMBLE at CLAPHAM JUNCTION
Entrance to Clapham Junction Station
5.30pm – THURSDAY 16th MARCH

REASONS TO BE AT THE VIGIL

Iraq is suffering – the occupation has cost many 100,000s of lives with no end in sight.
Iraqis want our troops to go.
British troops are dying in Blair’s war – 100+ so far, with many more badly wounded.
The US and Britain are plotting new aggression – against Iran above all. The war could spread and it could become a nuclear war.
Freedom is under threat – civil liberties are being torn up by the government because of the so-called “war o terror”.
Billions are being wasted on the occupations of Iraq and Afghanistan which could be used for pensions and public services in Britain.
March 18 is an International day of action against the occupation. Protests are already planned across the world, including in Iraq.

REGULAR stalls: Visit our regular Saturday stalls at Clapham Junction (St Johns Rd near Woolworth) 11.30am, Putney (outside Putney Exchange in the High St) 11.30am, Tooting (in front of Primark) 2pm and Balham (outside Sainsbury’s) 11.30am.
